
TIMELY PAYMENT OF ELECTRICITY BILLS IS ESSENTIAL FOR A STABLE ECONOMY.

RS. 6,842 MILLION RECOVERED FROM DEFAULTERS DURING RECOVERY CAMPAIGN.

CONNECTIONS OF NON-PAYING CONSUMERS DISCONNECTED.

CEO IESCO ENGINEER CH. KHALID MAHMOOD

Islamabad, October 20, 2025:

Chief Executive Officer Islamabad Electric Supply Company (IESCO), Engineer Chaudhry Khalid Mahmood, has emphasized that timely payment of electricity bills is vital for ensuring the financial stability of the company and a stable national economy.

He stated that a comprehensive recovery campaign is actively underway across all IESCO operational circles to ensure timely bill payments and recover outstanding dues from defaulters.

While sharing the results of the ongoing campaign, CEO IESCO informed that the company's recovery teams have successfully recovered Rs. 6,842 million from 227,511 running and dead defaulters. He added that connections of several consumers who failed to clear their electricity dues have also been disconnected in accordance with company policy.

Engineer Ch. Khalid Mahmood further highlighted that IESCO has introduced modern and convenient bill payment options, including online payments, a dedicated mobile application, and other digital billing facilities to facilitate customers in making timely payments.

He appealed to all IESCO customers to pay their electricity bills on time to avoid any inconvenience, including disconnection, and to help IESCO continue providing uninterrupted and quality power supply to its valued consumers.
