

Temporary Power Shutdown Schedule on Limited Feeders Due to Ongoing District Development Projects

Islamabad Electric Supply Company (IESCO) has always remained committed to providing the best possible services and ensuring uninterrupted electricity supply to its valued consumers. However, ongoing development projects initiated by the district administrations across the IESCO region—such as the construction of new flyovers, underpasses, new 11kV feeders, road widening projects, and other related works—require the temporary shifting of electricity poles and other power installations. For this purpose, limited-duration temporary shutdowns are occasionally required.

In this regard, on **Tuesday, September 29, 2026**, from **8:00 AM to 12:00 PM**, there will be a temporary interruption in electricity supply in **Islamabad Circle**: Punjab House, Bari Imam, Pir Sohawa, Saidpur, Fazaia, Service Road, Sohan, Highway, Zia Masjid, Iqbal Town, Feeders, **Rawalpindi Cantt. Circle**: Kalyal, Shahpur, Adiala, Khasala, Hamyoun-I, Dk. Noor, Gulshan Abad, Rose Lane, Adyala Jail, Shehgan, Defence Road, Askari-14, PGHS, Samar Zar, Feeders. IESCO management apologizes to its valued consumers for this temporary interruption in electricity supply. The sole purpose of these shutdowns is to facilitate the timely completion of development projects being undertaken by the district administration. For the convenience of consumers, temporary electricity shutdown schedules are also uploaded on IESCO's official website, www.iesco.com.pk, and its official social media platforms, including **Facebook (IESCO Updates)** and **Twitter/X (IESCO Official Pk)**. For further information, consumers may call the IESCO Helpline at 118.
